Ministry Ideas:

Spending Time with God

"Prayer is not asking. Prayer is putting oneself in the hands of God, at His disposition, and listening to His voice in the depth of our hearts."

Saint Mother Teresa

Prayer is the beginning of stewardship. We spend time in prayer to hear how God is calling us to respond as stewards. Stewards recognize that each day we have is a gift from God. They prioritize their time during the day toward God. What does your day look like today? Did you make time for God in prayer?

Service to One Another

"As each one has received a gift, use it to serve one another as good stewards of God's varied grace."

1 Peter 4:10

God has blessed each of us with unique gifts. We are called to discern those gifts, nurture and develop the gifts over our lifetime. However, they are not meant to keep for ourselves. Stewards respond to God's call through willing service to others. Each of us work together in a complementary way as one Body of Christ in our parish.

How can we discern a prayerful commitment of time as stewards?

- Look at your calendar, do you have time each day in prayer?
- There are 1,440 minutes in a day, how many will you set aside for God?
- Have you spent time in prayer for our parish family?
- Each week at Mass, consider during the Offertory who may need your prayers.

How can we share the talents we have been given in service?

- Look at our parish bulletins and the website to learn about the various ministries of the parish.
- Do you have new talents or abilities that you wish to share with the parish?
- Could the parish benefit from your leadership in creating a ministry we do not yet have?
